**Joyful Life Bible Studies Background:** The Joyful life Bible Study began as a vision of Kay Smith, Calvary Chapel Costa Mesa. It quickly grew from a once a month in-home study group to a weekly study using their entire sanctuary. In the late 70s, it was decided that the lessons should be published and the study was named Joyful Life Bible Class. Over the years, the study has reached thousands more as the concept has spread across the country to other Calvary Chapels. Now, 30 years later, the Joyful Life studies are still going strong in Costa Mesa, across the nation, and around the world.

God is continuing His work through Joyful Life—saving marriages, healing broken spirits, and birthing new ministries—and we pray He continues to do so until His soon return!
