“Then they brought little children to Him, that He might touch them; but the disciples rebuked those who brought them. But when Jesus saw it, He was greatly displeased and said to them, **“Let the little children come to Me, and do not forbid them; for of such is the kingdom of God”.**

Children's Ministries

But they delight in the law of the Lord, meditating on it day and night. They are like trees planted along the riverbank, bearing fruit each season. Their leaves never wither, and they prosper in all they do.

Psalms 1:2-3

Welcome!

Children are the single greatest form of wealth in any family, church, or nation. It is our sincere desire as a church family

to be faithful in serving the children in our church. We desire to provide each child with an atmosphere to grow into the image of Christ. We believe Spirit-filled worship and teaching covered with love and genuine interest in the children will form this atmosphere. With this in mind we invite you to join us in this critical calling to invest in our children .

Our goals will be:

- To show our children how to experience the love and joy of God in their lives through engaging lessons and activities
- To directly instruct children in the scriptures and its practical application to their life.
- To help and support parents as their children grow according to God's plan.
- To develop children to be able to minister to their peers.
- To be role models of the Christian life for our children to follow.
